

FININT INVESTMENTS SGR APPOINTS ANDREA PANFILI AS HEAD OF SALES

Conegliano, February 11 2022 – **Finint Investments SGR**, the asset management company of Banca Finint Group, announces that Andrea Panfili has joined the firm as Head of Sales.

As new Head of Sales, Andrea will lead the continuous strengthening of Finint Investments SGR, Italian alternative asset manager with 3.5 billion euros AuM, and he will be in charge for business development and client management.

With over twenty years of experience in the asset management industry, Andrea joins Finint Investments SGR from Ninety One (Investec AM), where he was Sales Director covering institutional and wholesale clients. Over the years he has been working for leading Italian and international companies, from Ninety One/Investec Asset Management to Capital Strategies Partners, from Morgan Stanley to Anthilia Capital Partners. Graduated in Finance at the Catholic University of Milan, he is a certified financial analyst.

Commenting on the appointment, Mauro Sbroggiò, CEO of Finint SGR, said: *"We are delighted to welcome Andrea to our team. Thanks to his experience in the industry and his skills, he will contribute significantly to the expansion of our business in the Italian and international markets. The growth of our sales team will allow us to manage relations with investor in an even more effective and timely manner. The arrival of Andrea confirms the commitment of Finint Investments SGR and of Banca Finint Group to increasing our presence in the market."*

Finint Investments SGR

Finint Investments SGR is the asset management company of Banca Finint Group, offering both closed-end alternative funds and long only investment strategies, in line with the needs of its national and international investors. Finint Investments SGR, established in 2004, is one of the first Italian alternative asset managers with a product range spanning from Real Estate & Renewable Energy funds, to Private Debt and Private Equity, NPLs and UTPs. With an investment team of 50 analysts and portfolio managers, it manages over 50% of its assets in accordance with UN PRI ESG principles. The numerous awards received in most recent years confirm the growth path of Finint Investments SGR.
